Annexure A: Information pertaining to S18A donations

What is considered a *bona fide* donation for S18A purposes?

A *bona fide* donation is a voluntary, gratuitous gift disposed of by the donor out of liberality or generosity, where the donee is enriched and the donor impoverished. The donor may not impose conditions which could enable him or any connected person in relation to himself to derive some direct or indirect benefit from the application of the donation.

Examples of what does **NOT** constitute a *bona fide* donation for purposes of section 18A?
